

1 WHY GIVE TO ROCHAMBEAU ?

As an independent school, Rochambeau is a fully self-funded non-profit school. Tuition and other sources of revenue provide a **financial anchor**, but do not cover the full cost of the investments in our students and our community each year.

Your gifts may be **tax-deductible!**
We are a registered non-profit organization.

2 WHAT IS THE ANNUAL FUND?

Gifts made annually to support essential projects. This makes our school exceptional. These gifts help provide for the expenses that exceed the income from tuition alone. This includes investments in infrastructure and equipment of over \$1 million annually.
